

DEEP WOODS

ESTATE

WINE	Deep Woods Estate Sauvignon Blanc	
VINTAGE	2010	
REGION	Margaret River	100%
VARIETY	Sauvignon Blanc	100%

VINTAGE NOTES

The wine is a delicate blend of estate-grown Sauvignon Blanc. Various techniques were employed in the production of this wine including barrel fermentation and judicious lees stirring, all of which enhance textural qualities and complexity. Portions fermented at cool temperatures in stainless steel tanks bring freshness and drive to the palate. Careful blending of the various components has resulted in a wine where the sum is far greater than the parts.

ANALYSIS

Alcohol 13%, pH 3.25, TA 7 g/L, residual sugar 2.6 g/L

TASTING NOTES

Colour	Very pale straw in colour.
Aroma	Zesty citrus, passionfruit and herbal aromas are combined with hints of toast and gunflint.
Palate	The palate exhibits clean passionfruit and citrus flavours. Textural elements contributed by lees stirring and barrel fermentation give rise to a multi-dimensional wine. There is a core of cleansing natural acidity that provides freshness and poise with a persistent and flavoursome finish.

CELLARING

Enjoy now, slightly chilled.

SHOW SUCCESS

Trophy & Gold	Best Sauvignon Blanc in Show
	Royal Adelaide Wine Show 2010
Bronze	Qantas Wine Show of WA Mt Barker 2010
