

DEEP WOODS

ESTATE

WINE	Deep Woods Estate Sauvignon Blanc	
VINTAGE	2011	
REGION	Margaret River	100%
VARIETY	Sauvignon Blanc	100%

VINTAGE NOTES

The wine is a delicate blend of estate-grown Sauvignon Blanc. Various techniques were employed in the production of this wine including a small percentage of barrel fermentation and judicious lees stirring, all of which enhance textural qualities and complexity. Portions fermented at cool temperatures in stainless steel tanks bring freshness and drive to the palate. Careful blending of the various components has resulted in a wine where the sum is far greater than the parts.
