VINTAGE NOTES

This wine has been blended using fruit from a single block of vines planted with Shiraz, Merlot and Tempranillo. In making the wine, the fruit was crushed and left on skins for six hours to allow colour and flavour to permeate into the juice. The distinctive Rosé tinted juice was then drawn from the skins and fermented in tank using an aromatic yeast strain aimed at enhancing its fresh, fruity character. Upon completion of primary fermentation the wine was transferred for maturation onto Chardonnay lees to increase both the complexity and the palate weight of the resultant wine.

ANALYSIS

Alcohol 13.3%, pH 3.3, TA 6.2 g/L, residual sugar 3.5 g/L

TASTING NOTES

Colour	Bright ruby red with purple hues.
Aroma	Ripe, fresh summer fruit berries with a hint of lifted violet notes.
Palate	Dry style with balanced acidity. A medium-bodied wine displaying raspberry and strawberry fruit flavours with a satisfying persistent finish.
