VINTAGE NOTES

The 2011 Verdelho Verde aims to capture the best of this classic style of wine. 'Verde' refers to its youthful freshness that leads to a very slight green color on the edges of the wine. The wine pays homage to the fresh 'green' wines of northern Portugal and is light and fresh – intended to be drunk within a year.

The fruit was picked early before being whole bunch pressed. The juice was fermented in stainless steel tanks at very low temperatures so as to maintain the zesty, citrus and pristine nature of the wine.

ANALYSIS

Alcohol 12.0%, pH 3.15, TA 7.1 g/L, residual sugar 1.8 g/L

TASTING NOTES

| | |
|--------|---|
| Colour | Pale straw in colour with vivid green hues. |
| Aroma | The wine exhibits lifted pine-lime aromas with underlying lime blossom. |
| Palate | The palate is clean and lively with tremendous depth of ripe fruit-salad flavour and intensity. A refreshing backbone of natural grape acidity adds to the delicate crispness while providing structure and length. |

CELLARING

Not required.
